## CLS ORIENTATION

*Local students* are encouraged to park in the Free Shuttle Lot at Holiday Drive and Winnie Street. After you have registered and paid your fees, student parking permits and contract parking will be available for purchase from the UTMB Parking Office in the Levin Hall Building. If you purchase contract garage or lot parking, you will not be able to access these services until you have received your UTMB ID badge.

*Distance students* will be provided one token on the day of orientation to exit the parking garage. After orientation, they will be required to purchase tokens from the bookstore. These tokens are offered at a reduced rate for current distance students only. To request tokens, logon to the CLS Student Information site and complete the parking token request form.
